CALL FOR PROPOSALS

PUBLIC AND NONPROFIT ADMINISTRATION IN A HYBRID-CONNECTED 21ST CENTURY

About the Conference

The [Northeast Conference on Public Administration \(NECoPA\)](#), the annual regional conference of the American Society for Public Administration (ASPA), is intended to provide educational opportunities for scholars (faculty and students), practitioners (administrators and policymakers), and others interested in public service in a collaborative environment by educating all on current issues, research, and practice in public and nonprofit organizations. This conference will be NECoPA's 13th year of bringing together scholars and practitioners from the northeast region, the United States, and internationally.

Conference Theme and Proposal Submission

The theme, *Public and Nonprofit Administration in a Hybrid-Connected 21st Century*, recognizes that the events of the last two years accelerated the pace at which both our professional and personal lives have become intricately intertwined with technology, as we live and work in a hybrid – virtual and in-person – world. Public and nonprofit administration has been tasked with adapting and navigating public programs in this world to ensure they continue to be delivered in an effective, efficient, economical, and equitable manner. We welcome proposals related to this theme in suggested topic areas:

- Innovation and Technology in Public Service
- Diversity, Inclusion, and Equity in Public Service
- Organizational Management, Behavior, and Theory
- Politics and Administration
- Performance Measurement & Program Evaluation
- Dynamics of Collaboration and Contracting
- Social Justice through Public Service
- Other Pressing Topics in Public and Nonprofit Research and Practice

Using the above prompts as a guide, submit your individual proposal (250-word limit) or fully formed panel proposal or workshop (400-word limit) through the [proposal submission portal](#)

Proposals are due by **July 31, 2022**, and notice of acceptance will be announced by August 31, 2022
